Kia Ora Parents and Caregivers

Thanks parents for your attendance at the Person of Character interviews last week. Staff will contact the parents who didn't make their appointment to set up another time.

The children had great support from parents at the School Swimming Sports on Thursday. The weather was good and it was great to see the progress many have made with their swimming tuition. Our Cluster Swimming Sports team has been selected [from the Year 4, 5 & 6 students] and they received a notice on Friday. The date for this Cluster Swim Sports has had to be changed due to a double booking at the pool. Our team is listed below.

A big welcome to Sanne Weston who has been selected to the Board of Trustees. Sanne will hold the property portfolio, and she is also at school for a couple of sessions per week doing her teacher aide training.

Huge thanks to the TSB Community Trust for funding the new turf on our court which was completed by TigerTurf last week. It looks amazing and the children are enjoying playing on it. Next, we will complete the job with a tidy up of the fence and surrounding area.

Kind Regards

Tony Williams

Principal
