Dear Parents and Caregivers

We are now heading into the last two weeks of the Term, and reflecting on the very busy time we have had! I would like to thank Rachael Taylor for taking photographs throughout the term and at our recent Swimming Sports and Triathlon events. These photos are used for school purposes only and you may see these photos popping into your child's sample book, or on displays on the walls at school from time to time. I would also like to thank Jo Moore for the sponsorship given to school from the Beach Street Surf Shop for our recent Cluster Triathlon. Support to our school both from Rachael and Jo is very much appreciated.

I would also like to acknowledge Fulton Hogan for donating 15 bright brand new road cones to school last week to replace our old faded, sad looking cones.

Kind Regards

Tony Williams

Principal

Swimming Pool - The major events that need the pool are now over and the weather is cooling. Children can still continue to bring togs and we may have some lunchtime swims for the remainder of the term, depending on the temperature. The Board will decide tonight if the pool will close at the end of the term, or remain open for some of the holidays. We will advise their decision in next week's newsletter.

Netball - Starts next term. The Huirangi Hammers team coached by Mrs Rachel Brett will have a lunchtime practise each Tuesday. Please bring appropriate shoes. Coaches from other teams will be in touch with parents regarding practises too, some might be after school ones.

Basketball - Traditionally a term 2 & 3 event. We are awaiting info from the organisers as to where this will be held this year due to the War Memorial Hall remedial work. Please note though, this year we will require parents to coach AND REFEREE at the games as teachers will not be able to get to games.
