Dear Parents and Caregivers

We have had an extremely positive start to term 2. Students have settled back into routines with ease and are making the most of the beautiful weather. It is great to see so many students involved in sports teams, at school or clubs, and taking on new challenges such as the Room 3 gardeners and Year 6's training to become peer mediators.

I would like to thank the following organisations for their generous donations in recent weeks:- Methanex for the donation of a 'buddy bench' and TSB Community Trust for the funds to enable us to resurface the court area. Projects such as the court resurfacing, sadly are not usually funded by the Ministry of Education and we, like many other schools, are always on the lookout for organisations who can help us out with funding.

Kind Regards

Tony Williams

Principal
