Kia ora koutou

On behalf of the Waitara Whanui Touch Module I'd like to welcome you all to the 2019 touch season. We hope your teams and families enjoy your time with us this season.

Please find attached the draw for all grades for Thursday's games - the full draw will be released next week, as we had a couple of late team entries. In saying that we have an incredible 43 teams participating this year which is absolutely outstanding! Thank you so much for your support.

For those that have advised of your involvement with Puanga next Thursday, I have made the necessary adjustments to the draw.

THINGS TO KNOW:

Parking

Princess Street Waitara. Parking along the Waitara High School Bus Stop Area is permitted after 3:30pm once the last school bus has departed. **No unauthorised vehicles to be parked within school boundaries.**

If your team's games are at Manukorihi Intermediate, there is limited parking both inside and outside school grounds. **No unauthorised vehicles to be parked on school fields at any time.**

Signing In

There will be two HQ's set up, one at Waitara High and the other at Manukorihi Intermediate - please remember to check your draw for the field you are playing and sign in at that particular HQ. Just a reminder all teams to be signed in at HQ at least 10 min prior to start of game.

AWHI PROMISE

This year we are also introducing the AWHI Promise initiative (see attached). The AWHI Promise outlines the key values of Attitude, Whanau, Harmony & Integrity. This is very important for us as a module as we look to provide a positive and supportive playing environment for all our Tamariki, so your support for this initiative would be much appreciated. Please feel free to share with all your parents, coaches and players, as we look ahead to a positive season in touch.

If you have any other queries please let me know - we look forward to hosting you all on Thursday!

Kelly Moeahu

**Waitara Whanui Touch
Chairman**
